

## Go into all the world and preach the Gospel!

We have big news! A big change is coming in our lives—God has moved on our hearts to go to Africa to minister full-time! Yes, the Gilmores are moving to South Africa, a country we have visited and love. For many years our hearts have been joined with Ron and Rina Kinnear, founder and directors of *Africa Missions*. We have been part of their ministry team—Gary as the administrator in the U.S., and Judy as their webmaster and graphics designer. For many years Ron has wanted us to come and serve in Africa. Now the time has come for us to switch continents to assist in Africa Missions' exploding work of spreading the Gospel of Jesus Christ from South Africa and up through Central Africa.

### What is Africa Missions?

The heart of *Africa Missions* is training and encouraging local pastors in churches and Bible colleges. Ron Kinnear has a heart for evangelism and has created a network of pastors and friends all across Africa and the world. AM colleges are Beam Africa Bible College in South Africa for refugees, Kigali Bible College in Rwanda, and 2 satellite campuses in the Democratic Republic of the Congo and in Uganda. Check out Africa Missions website at [www.africamissions.org.za](http://www.africamissions.org.za).

Seven years ago, God nudged Ron to publicly stretch his evangelism goals to help reach the 2 billion people who have never heard of Jesus. Implementing the *Evangelism Explosion* program deep in the heart of Central-East Africa—Burundi, Rwanda, DRC (East), Tanzania and Uganda. Only counting converts who have been presented the Gospel one-on-one, personally trained, disciplined, and church-nurtured by Africa Missions' trained pastors and leaders reported 83,562 new converts for Christ in the last 6 years! Praise the Lord!!! The goal for the next 3 years is 70,000 more Christians. We are so excited to assist Ron in this great work.

### What will we be doing there?

We will be preaching, teaching and helping people to know God and His Word. Gary will also be assisting Ron with the administration of the ministry, including guiding the college in South Africa, and helping with the evangelism program. Judy will continue designing the graphics part of the ministry. We are raising our own funds for the move and finances, while we are there. We will be moving to Pretoria, South Africa, to work out of the Africa Missions office located there.

### What do we need to make this move?

First, we need your prayers for our effectiveness in the proclamation of the Gospel in Africa, for finances to help us in our move to Africa, and monthly living expenses for us on the mission field. It is too expensive to move anything large, so we are extremely down-sizing our possessions.

### What are we asking of you?

Will you help us, "Go into all the world and preach the Gospel?"

- Will you be our prayer support for the above needs?
- Please look to the Lord, if He would put on your heart to give a gift toward our moving expenses, and/or
- A monthly commitment of financial support
